Testimonies

“We chose IFEX with a very clear reason is that we want to meet quality buyers, we want to be with quality exhibitors, and we expected good business here, but it was way above expectation.”

Jan Wout Hulstein, Asiades

“IFEX is now one of the best exhibitions in Asia Pacific. Now, so far it is in Indonesia and IFEX is the best platform to do business. One important thing in IFEX is that there are buyers coming here from different parts of the world, so that is very very good.”
